

4CITIES4DEV

The information campaign at schools in Riga
02.04. – 08.05. 2012.

Access to good, clean and fair food: the food communities' experience

THIS PROJECT IS FUNDED BY THE EUROPEAN UNION

CITY OF TORINO

The aim of the school visits

- To facilitate discussions and raise the interest about the global food problems among the students and teachers;
- To stimulate teachers and students to search and think about the food production and consumption that does not harm the environment, animal welfare or our health;
- To inform teachers and students about the responsible food consumption and explain how it is possible to assist the food production in Food communities in Africa.

THIS PROJECT IS FUNDED BY THE EUROPEAN UNION

CITY OF TORINO

The programme for school visits

1. The overall information about the project 4CITIES4 DEV.
2. The Slow Food organization and philosophy.
3. The cooperation between Riga and Mananara (Madagaskara).
4. Film about the Pokot Ash Yoghurt.

Topics for discussions at the schools

- The meaning of the purchase of good, clean and fair food;
- The meaning of local food sustainability;
- The importance of responsible food consumption choice of each member of the society in connection with the Food communities;
- The food miles and the pollution of the environment;
- The Slow Food philosophy as the grounds for the further creation of sustainable local food systems.

The Slow Food Riga board member is explaining the meaning of good, clean and fear food

Discussion about the good, clean and fear food

The Slow Food Riga board member is explaining the meaning of responsible consumption

Students get the informative materials about the 4CITIES4DEV project

The result

- **19 schools were visited**
- **2366 students were informed and educated about the responsible and sustainable Food development**

Further steps

- To continue cooperation between the school teachers and Project Team of the Riga City Development Department and Slow Food Riga
- To provide teachers with the information about project activities
- To involve a large scale of teachers and students in the activities of the Travelling exhibition in Riga from 18.08 - 06.09. 2012.

Thak You for the attentioin!
